1965 RAMBLER COLOR AND UPHOLSTERY SELECTOR

AMERICAN 220, 330, 440 & 440-H
CLASSIC 550, 660, 770 & 770-H
AMBASSADOR 880, 990 & 990-H

1

Turn to the appropriate color and upholstery availability chart for the desired Rambler model. These charts are underneath this page, and show the available colors and upholsteries for each model. Leave this section open at the appropriate chart.

2

Select a single color or two-tone combination from those shown on the chart as being available, using color chips on the opposite side of the book. Leave this section open at the selected color.

3

Determine available upholstery choices for the selected color and Rambler model by referring back to the availability chart. Each upholstery choice is assigned a trim number.

4

Select an upholstery, using the swatches on the opposite side of the book. The swatches are identified by trim numbers and are arranged in numerical order.

After the color and upholstery selection is completed, return each section to its normal position.
